### Instructions

Read instructions carefully before marking your ballot. You may vote on both sides.

The only way to mark your ballot for your votes to be counted is to completely fill in the oval next to the candidates of your choice(s). Make NO other mark(s) on your ballot, if you do, your vote(s) will not be counted.

Write In:

To vote for a person not on the ballot for an office, write the name on the line provided and COMPLETELY fill in the oval to the left of that name.

If you make a mistake or a stray mark, ask for a new ballot from the poll workers.
