After the reading of the St. Thomas/St. John early voting results on November 3rd, the At-Polls results were read in the specified district and the results were inadvertently combined with the STT/STJ district early voting results when submitted to the St. Croix district for final merger, as per established protocol. This combination of results caused a duplication of the STT/STJ early voting numbers. The conducting of audit reviews is typical in the election industry to ensure accuracy of UNOFFICIAL RESULTS. The audit verified that the standing of no other candidates has been affected.

Official results will be released on November 14, 2020. The Elections Systems apologizes for any inconvenience which has occurred and is committed to continue to operate in a fair, accessible, secure and transparent manner.
